Run Money

Savings that earn more when you run.

Built on Aave · Base · Strava

1 **Join once**
One-time membership: 0.0125 ETH

2 **Deposit USDC**
To earn interest via Aave on Base

3 **Run 5 km a week**
Log your runs each week using Strava

Hit it: your interest + a share from members who skipped

Miss it: you lose that week's interest, not your deposit

Members who ran week of Oct 6–13 **11.24% APR** vs ~4.2% on Aave alone

Questions? Ask Mike, he built it.

Rates change every week; past rates aren't a promise of future ones. Your deposit earns interest through Aave; smart-contract risk applies.
